

BLACKHAWK REGION BMW ASSOCIATION  
MINUTES OF THE JULY 21, 2011 MEETING

Call to Order. Jeff Sluiter called the meeting to order. Eighteen people were in attendance. We were in the southern shelter house at Kieselberg Forest Preserve which we will try to reserve in the future.

Visitors. Kathy Bower, Rich Nowicki (voted in as member—third appearance), Beth Akerman and Matt Cox were visitors.

August meeting. The August meeting will be held at John Tallman's house, 8403 Pheasant Trail, Stillman Valley. The club will again provide meat for grilling (which John would appreciate help with) and we should bring a dish to pass. We are invited to arrive early to use their swimming pool. (Watch the website for more details.)

T-shirts. Gundersons got a quote on a new run of club logo t-shirts priced from \$7.49 to \$11.31 depending on color and size. [This order is on hold until we have a new logo conforming with the new MOA guidelines.]

Christmas Party. KiKi B's is under new management and Jeff Marley is investigating having the Christmas party there.

Steak Fry. Jeff has contacted Fritz and we are on the calendar for our annual meeting/steak fry on Sunday evening, October 16, 2011.

Imperial Palace. Previously the August meeting had been scheduled to be at Imperial Palace on State Street. With the offer of the Tallman home, discussion led to a suggestion of having the August Two Wheel Tuesday at Imperial Palace.

Upcoming Rides. Play Hookie rides (fourth Friday) for the rest of the season are "on your own" without a tour director. Steve Frank's Galena ride was rained out and is re-scheduled for Saturday, August 13, breakfast at the Harvest restaurant on Route 20 between Winnebago and Pecatonica, with departure at 9:30 a.m.

Ride Reports. Bruce Widell shared about his 11,000 mile Alaskan trip. Paul Misik told about the Duluth weekend trip to Aerostitch.

Motion made, seconded to adjourn.

Respectfully submitted,  
Marlisa R. Gunderson
