

The July meeting began at 7:35 p.m. at Kieselberg Forest Preserve. Seventeen people were in attendance. Guests included Julian a friend of Paul Misik, Michelle Widell's daughter Lena, and Steve Frank's wife Amy.

Bruce Widell described his ride around Lake Superior and into Canada. He said it was beautiful and that he saw deer, bear and foxes. Jeff Sluiter and Earve Brauer rode along with former club member Gary Tope and Gary's two brothers to Balltown, Iowa. Our club members sure will drive a long way just to eat. ;-)

After all is said and done, the profit for the 2010 Flea Market is \$_____.

Jeff let us know that Markel Insurance will send you a gift of a small bag, when you ask them for a quote. He thinks you can call or e-mail them.

Paul told us that his brother Joe Misik is planning a Kettle Moraine ride. For more information contact Joe.

Sam Smith has a friend who is selling an '84 R100RT. For more information contact Sam.

The August 2010 meeting will take place at Aunt Mary's restaurant on East State Street in Rockford. If you plan on eating, arrive around 6:30. The meeting will begin at 7:30.

Respectfully Submitted,
Lee Ann Sluiter
