June 16, 2011 Meeting Minutes

The June meeting took place at Keiselburg Forest Preserve and was called to order at 7:47 p.m. Twenty-two members and three guests attended. Guests were Kathy Brown (friend of Dick Alpiser), Rich Nowicki, and Zara.

Old Business: Two-Wheel-Tuesday was last week. We meet the first Tuesday of the month at Culver's in Belvidere at 6:30 p.m.

New Business: There was discussion about changing the monthly meeting place to a different restaurant for a change of menu. Tim Bradley talked to Paul from Imperial Palace about using their restaurant. Tim is going to set up the third Thursday in August for Imperial Palace. We aren't necessarily planning on meeting there every month. We'll give it a try in August.

Paul Misik is riding to Aerostitch in Duluth, Minnesota on Friday, June 24. If you would like to meet Paul for breakfast before departing, be at Jessica's Restaurant in Roscoe at 8 a.m. The group will be leaving Jessica's at 9. They will return on Sunday afternoon. Contact Paul Misik at 815-218-6729 if you would like to join them.

Mike Gunderson is leading a ride on Friday, June 24 also. He was not at the meeting and I do not have details. Call Mike at 815-238-6657 because he always has pretty routes.

Jeff and Earve are sending a thank you letter to each vendor from the flea market. The letter will include a reminder to leave Fido at home.

Club Ambassador Dan Boone was in an accident and is out of commission. He was not seriously hurt but would probably appreciate a phone call at 815-713-0411.

Steve (Mike) Frank ;-) is leading a ride to Galena on Saturday, July 23. It's a one day trip and the group will meet at 8:00 for breakfast at (I think he said) the Harvest Restaurant (the old Ghost Town) on HWY 20 between Winnebago and Pec. Contact Steve for more information at 815-761-0048.

Our July 21st meeting will be a pot luck picnic at Keiselberg Forest Preserve. We'll be eating by 6:30. Please bring a dish to pass and a table setting for yourself and guest(s). Beverages and meat will be provided by the club. I have to tell you that the food at the June meeting was deeeeeeeeeeeelicious so you should try your best to make it to the July meeting.

Respectfully Submitted,

Lee Ann Sluiter
